CHRISTMAS AT KINGSTON LACEY

We head directly to Kingston Lacey near Wimborne to enjoy the after dark trail that is returning this year.

You will be able to enjoy over a million twinkling lights and seasonal sounds will fill the air as you walk round. Stroll through sparkling tunnels of light, walk under giant baubles and beneath trees drenched in jewel like colours. Stand and watch the flickering flames in the fire garden, gaze at all the illuminations and keep an eye out for Father Christmas he may make an appearance!

While enjoying the lights sample a festive spiced winter warmer, hot chocolate or toasted marshmallows.
